

Abstract Submission/Guidelines

KEY DATES

14th Euroneuro Meeting

Dates: June 25, 26 and 27, 2025

Venue: Health Sorbonne University, Paris, France

Website: www.euroneuro2025.com

Abstract submission opening day: Thursday, December 5, 2024

Abstract submission closing day extended: Tuesday, April 1, 2025

Scientific committee decision: Tuesday, April 15, 2025

INSTRUCTIONS FOR ABSTRACTS

Please submit a fully original work, in English

IMPORTANT REMINDER:

"Any selected and registered speaker who does not present their oral presentation or poster, except in the event of force majeure, will not be able to present a paper the following year".

Instructions to authors for abstract writing:

1. The title of the abstract must not exceed 25 characters.
2. The abstract must not exceed 3500 characters.
3. Tables and figures: count for 100 characters each. The relevance of using table/figures will be taken into account. 2 figures and one table maximum, count for 100 characters each.
4. Abstracts must be structured as follow: Objectives, Method, Results, Conclusions.

Warning: evaluation of the abstracts by the reading committee is anonymous, therefore the body of the text must not contain any reference to the team or center (elementary element).
5. The following information must be provided for the contact person: surname, first name, position, department, postal address, phone number, and e-mail address.

Authors and their affiliations must be clearly stated. The first author is the one who will present the work in an oral presentation if the abstract is selected. An author can only appear once as first author (in the same category).
6. In order to comply with the regulations, abstracts must mention only the INNs of the medicines and not their trade names.
7. Please declare a "conflict of interest" if the work has been funded by a company or if you (or any of the abstracts co-authors) receive personal remuneration from a company whose product is used in the work submitted for this paper.
8. The abstract, whatever the mode of presentation (oral or written), may be published in full in the final digital program of the 2025 Conference.
9. Submission of ongoing clinical trials is allowed. Publication of an abstract on previously published data is not allowed. For interventional or experimental research on animals, the approval of an ethics committee is required.

CATEGORIES OPEN FOR SUBMISSION

Theme 1: Neuroanesthesia

Theme 2: Neurocritical Care

Theme 3: Neurosciences in the field of Neuroanesthesia or Neurocritical care

SCORING SYSTEM

Evaluation of the abstracts is carried out by a committee of experts.

The decisions of the committee will be communicated on Tuesday, April 15, 2025 by email.

Each abstract will be reviewed and scored as follows:

1. Clinical importance and scientific methodology.
2. Quality and relevance of the potential iconography used: table, figures, diagram, photo, video, internet link.
3. The final marks will be determined and the committee will rule on any ties.

Dear friends, dear colleagues,

It is a great pleasure to announce that the 14th EuroNeuro meeting will be held in Paris, 25th to 27th June 2025, at the Health Sorbonne University.

This amazing multidisciplinary meeting will welcome anesthesiologists, intensivists, neurologists, neurosurgeons, neuroradiologists, neuroscientists, neurocritical care nurses, and anesthesia nurses.

Outstanding Specialists and scientists with diverse backgrounds from all over the world will be present, offering a great opportunity to share knowledge and experience for people involved in caring for patients with acute neurological diseases and brain injury, as well as for neuroscientists.

We look forward to meeting you in the fantastic city of Paris, 25th to 27th of JUNE 2025!

Pr VINCENT DEGOS, Pr Thomas GEERAERTS, Pr Yoann LAUNEY and Dr Stephanie SIGAUT

D-DAY

If you are selected for a poster or an oral presentation, you will receive instructions on April 15, 2025 by email.

You shall participate on a voluntary basis like all members of the Scientific Committee.

The presence and registration of the first author (or a substitute if necessary) is mandatory.

We count on your participation and thank you in advance.
